

you've
gone and
done it,
a kick
to our
group
car

I.....
I'm sorry my foot
acci-
dentally
hit it and
....

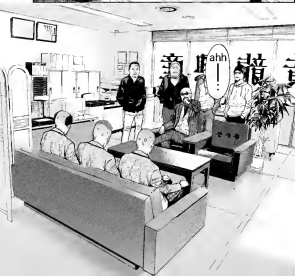

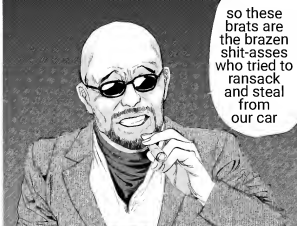

ahh
ah!
this is
horri-
ble

vroooooom

so these
brats are
the brazen
shit-asses
who tried to
ransack
and steal
from
our car

ah
?

however
I think
about if the
ones who
damaged the
car were the
people of the
Kiryuu group

.....
isn't
that
ridicu-
lous?

yes
it was
fully
banged
up

I took
a pic
so
please
take a
look

what
the
heck
this is
really
awful

I can see
the things
they're
saying
from a
third person
view

I've
almost
died
from
jumping
off of
the roof

if I
think
of my
life from
now on
as
left over
time

HUH
HHH
HHH

?

the fuck's
in insurance?

you've
gotta
take
respons-
ibility
of stuff
you've
done!

this
is a
propo-
sal

I
under-
stand

let us
resolve
it all
with
insurance

Someone
has to
shoulder
the
weight.
ya know

right
right
what's
done
stays
done

stop
trying to
come up
with dumb
excuses
and just
have your
parents
pay the
bills!

AAH?
BASTARD
!?

it was on
a level
where an
apology
would've
been
enough
to make
up for it

these two
did kick
but it didn't
leave any
marks

note: banchou is the top delinquent/gangster in the school

MANUAL LABOR IN FISHING BOAT CONTRACT FORM

year date month

I, _____*, will conduct manual labor upon a fishing boat of the following company for the next 5 years, giving all authority to the following agent. I will not question even once about this matter. There will be an deposit of 250 million yen into the bank of above contractor for insurance in addition to appointing

(shares) Kiryuu Industries Representative
Chairman of Board of Directors Kiryuu Gouki

as the recipient.

The application above is all dependant on my decisions, and so there will be no voices of disapproval in the eternal future.

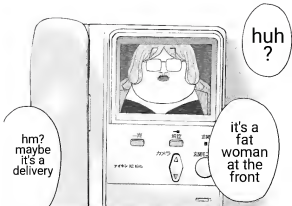

Agent

Kiryuu Gouki

*warning: there is a possibility of using a thumb print instead of an official seal to complete the contract
